

Madam Speaker, I applaud and congratulate Dr. Kimpel on the many accomplishments that he has achieved throughout his lifetime and I thank him for his life's commitment to weather, science, and severe-storm prediction. Additionally, I would like to thank Dr. Kimpel for the example he has set for future meteorologists and researchers to follow, and for the fine career in which he has dedicated his life's work to. Madam Speaker, I am genuinely pleased to be able to say that I represent Dr. Kimpel and his family, and the laboratory that he created and worked so diligently for. I wish him luck in his future endeavors.

TRIBUTE TO SPECIALIST JOSEPH JOHNSON

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 23, 2010

Mr. KILDEE. Madam Speaker, it is with great sadness that I rise today to pay tribute to Army SPC Joseph Dennis Johnson. Specialist Johnson was killed on June 16, 2010 in Kunduz, Afghanistan by a roadside bomb. Funeral services will be held on June 26 at Flint Central Nazarene Church.

After graduating from Carmen-Ainsworth High School in 2004, Specialist Johnson enlisted in the U.S. Army in 2006 and served as an Airborne Engineer disarming improvised devices. He had been stationed in Afghanistan since December 2009. Specialist Johnson considered it a privilege and honor to serve his country. I had the opportunity to meet and talk to Specialist Johnson when we flew from Washington, DC to Michigan together several years ago. I was attending the funeral of a friend, Jack Maxwell, and Jack was Specialist Johnson's great-grandfather. As I sat next to him on the airplane and again at the funeral, I was impressed by his deep love for our country, his passion for his work and his devotion to his family.

Specialist Johnson will be deeply missed by his parents, Dennis and Teri Johnson, his sister Jennifer Pollak, grandparents Eugene and Lois Johnson and Glenna Maxwell; his special friend Amanda Gauthier, many nieces, nephews and close friends.

Madam Speaker, I ask the House of Representatives to stand and take a moment of silence to remember SPC Joseph Johnson. He has made the ultimate sacrifice for the country he loved deeply and our nation is grateful for his steadfast duty. His enthusiasm for life is an inspiration to all that knew him and his integrity is a credit to his parents and family. I extend my condolences to his parents, family and friends and I mourn his passing.

CONGRATULATING GASTONIA, NORTH CAROLINA

HON. SUE WILKINS MYRICK

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 23, 2010

Mrs. MYRICK. Madam Speaker, I would like to congratulate Gastonia, NC—one of the recipients of the 2010 All-America City Award from the National Civic League. Gastonia, for

the third time, has achieved this honor, which highlights the innovation, inclusiveness, civic engagement, and cross sector collaboration of this unique town.

This year, representatives to the competition highlighted two of Gastonia's most important civic programs. The first is The Shelter of Gaston County, a transitional home for battered women. The second is "Run for the Money," an annual fundraiser that has raised more than \$9 million for non-profits in our area.

It was clear that Gastonia made quite an impression—they were one of only two in the entire competition to receive unanimous support from this year's judges.

Not only was Gastonia recognized with this honor, but Gastonia team member Luis Rios, president of the Mayor's Youth Leadership Council, won the inaugural All-America City Teen of the Year Award.

In addition to the hard work of the people of Gastonia, I would also like to extend special congratulations to Mayor Jennie Stultz. A native of Gastonia, Mayor Stultz provides the leadership necessary for the City of Gastonia and its citizens to live up to their fullest potential—with great gusto.

It is truly a privilege to represent Gastonia in Congress. Gastonia is well-deserving of being named an All-America City, and I commend the city for the commitment it shows to its citizens and the dedication it has to the traditions and values that make Gastonia so special.

RECOGNIZING RICHARD HUNSUCKER AND THE WALK ACROSS AMERICA TEAM

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 23, 2010

Mr. ISSA. Madam Speaker, I rise today to honor Richard "Ric" Hunsucker, a United States Marine Corps veteran, and the Walk Across America Team for their selfless efforts to bring awareness to disabled veterans across the country.

Mr. Hunsucker, an ironworker from Green Bay, Wisconsin, has completed a challenging yet worthy undertaking that has achieved great success—all in the name of disabled veterans. On Veterans Day, November 11, 2009, Mr. Hunsucker set out to begin his 202 day walk across America to raise donations and awareness for the struggles faced by disabled veterans.

Starting at the Duval County War Memorial in Jacksonville, Florida, Mr. Hunsucker and his support teammate, Jack Dixon, visited countless veterans medical centers and outpatient clinics to meet with disabled veterans, doctors, nurses, family members and the public.

This 2,600-mile journey took them through four time zones and eight states, ending proudly at the Balboa Park War Memorial in San Diego, California on Memorial Day, May 31, 2010. He carried a 5-foot by 3-foot navy blue Disabled American Veterans flag the entire route. All donations raised went to the Disabled American Veterans organization, a non-profit that advocates and assists those injured while serving their country.

Mr. Hunsucker trained for six months for his 202-day walk and has since gone through

three pairs of sneakers and countless aches and pains. Walking an average of 17 miles a day, meeting the families of those killed in action in Iraq and Afghanistan were among the most memorable moments.

Mr. Hunsucker's patriotism and desire to raise awareness for veterans was best explained when he recently stated, "You can build a memorial for those who have been killed, but how can you remember those who are disabled? You take care of them."

Madam Speaker, I would like to extend my personal accolades to the Walk Across America Team for such a remarkable and dedicated journey.

TRIBUTE TO STEVE ZATKIN

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 23, 2010

Mr. STARK. Madam Speaker, my colleague HENRY WAXMAN and I join together to mark an important occasion for California's and the nation's health care policy community. After leading the public policy and government relations team at Kaiser Permanente for the past 20 years, Steve Zatkun has announced that he will retire at the end of this month. He reached this conclusion after having seen a long-awaited event—the enactment of comprehensive health care reform—finally come to pass.

Following his graduation from the University of California at Berkeley in 1969, Steve began his career in health policy, like many other national experts, as a staff person in the California legislature. After starting out as an Intern and Analyst in the California Assembly, Steve served throughout the middle and late 1970s as Senior Consultant to the Assembly Health Subcommittee on Health Personnel, the Joint Committee on Health Sciences Education and the Joint Committee on the Siting of Teaching Hospitals. During his senior staff tenure in Sacramento, he developed major legislation and budget policy on health care workforce and training issues, an area of abiding and continuing interest for him.

While working in the legislature, Steve earned his degree at the McGeorge School of Law and was admitted to the California Bar. In 1978, he joined Kaiser Permanente as a staff counsel focusing on government relations. In addition to leading Kaiser Permanente's government relations function since 1990, he has chaired its Health Policy Committee since its inception in 1996. Since 2004, he has also served as Senior Vice President and General Counsel of Kaiser Foundation Health Plan and Kaiser Foundation Hospitals.

Steve has long been recognized as a leader in the health plan and integrated care delivery sector. He served on the Boards of Directors of the Alliance of Community Health Plans, the California Association of Health Plans and the American Association of Health Plans. In the late 1990s, Steve served on the California Governor's Managed Care Improvement Task Force. He has also served as a member of the National Association of Insurance Commissioners' Health Care Insurance Access Advisory Committee.

In his role as a health plan leader, Steve has ably represented Kaiser Permanente as it has grown to serve over 8.6 million people, including over 6 million individuals in our home
